Sir:

Applicant notes that entry into the U.S. National Stage for the above-identified International Application was effected on April 25, 2005, and including a Cover Letter indicating that the published International Application of PCT/KR2003/002339, i.e., WO 2004/042062 A1, does not include page 36. Therefore, the published document goes from page 35 to page 37.

Upon further review, it is noted that page 36 is the Form PCT/RO/134. It appears that this paper was apparently inadvertently not scanned when publishing the International Application, and WIPO has indicated that the International Application will be republished including page 36.

Applicants further note that, further to the submission of the Form PCT/IB/308 and the published International Application on April 25, 2005, Applicant is submitting

herewith a copy of the application as filed including the Request, description, claims, abstract, drawings and sequence listing. Moreover, Applicant is submitting another copy of the English translation of the International Application as filed including an English translation of page 36. Applicant is also submitting a copy of RECEIPT IN THE CASE OF AN ORIGINAL DEPOSIT for KCTC 10352BP.

Applicant has already paid the filing fee for entry into the U.S. national stage on April 25, 2005, whereby further payment of fees should not be necessary. However, if any fee is necessary for entry into the U.S. national stage and/or to maintain the pendency of the application, including any filing fee, this is authorization to charge any necessary fee to Deposit Account No. 19-0089.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,  
Jin-Hoi Kim
